**THE BEAUTIFUL COLORS OF FALL LIFT SPIRITS**

*Here we are in the middle of the Fall riot of colors! The colors bring joy to all even though it is of such a short duration. Hopefully you will be able to go for a walk or a drive to take it all in before the colors fade! Getting out during this Covid pandemic is so important for our spirits, and being outdoors even for a short while is a boost to our well being. Take advantage of the fall temperatures while they are mild and enjoy nature!*

*We are still postponing meetings for everyone's well-being which is sad for our club, and also sad for everyone's need to social distance. But there is hope on the horizon!*

*Meanwhile, spending time with our feathered family, (and others of course), gives us joy and the opportunity to interact with them even more! I expect when we meet again, there will be great stories and even new tricks that our lovely parrots will share!*

*Have a wonderful Fall, a Happy Thanksgiving, and stay positive and safe!*

 Vice President*
